Dear Sir:

Pursuant to M.P.E.P. §609 and 37 C.F.R. §§1.56, 1.97-1.99, applicant submits herewith an information disclosure citation which lists a reference of which the applicant is aware. A copy of the reference is also submitted herewith.

This submission does not represent that a search has been made or that no better art exists. While the term "reference" is used in citing the publication called to the examiner's attention herein, applicants do not make any admission that it is a "prior art" reference within the meaning of the statutory and case law.

Applicant reserves the right to contend, where appropriate, that a reference asserted against any claim of the present application is not prior art under the facts and the law.

Applicant also reserves the right to present appropriate arguments and/or evidence to establish patentability over the reference, should the reference be applied against the claims of the

Applicant respectfully requests that the examiner independently determine those items which the examiner would consider the most pertinent of the reference cited herein.

Applicant respectfully requests that the reference be considered and made of record.

This Information Disclosure Statement is being filed simultaneously with the filing of the application and therefore no fee is due. However, in the event that a fee is required, the Director is hereby authorized to charge any deficiency or credit any overpayment to Deposit Account No. 500518.

Respectfully submitted,
